

## Accounting Services Ltd delivers numbers

GLOBE

Accounting Services Ltd described as “Best company ever” by Mr. Matthew Borg, owner of GLOBE Stationeries.

GLOBE is a company that has two stationeries located in H'Attard and Birkirkara respectively. Both shops provide a wide range of services for ones daily needs, including but not limited to printing, binding, lamination, watch repair, greeting cards, gifts for all occassions, dry cleaning services, mobile top ups and more.

### Overview

Accounting Services Ltd offers the full spectrum of professional services including accountancy, administration, consultancy, tax advisory and corporate services amongst others. Accounting Services Ltd serves a wide range of clients with different business models, different sizes, backgrounds and industries, and has been since then, renowned for delivering numbers; a slogan that has been incorporated in the company name to reflect its achieved

## Services

The owner of GLOBE Stationeries requested the help of an accountancy firm to take care of its basic accounting needs in order to be able to keep all records of its financial activity in order, while being able to focus on the core business in both shops. Accounting Services Ltd was the chosen company amongst hundreds in Malta to provide payroll, bookkeeping and tax returns services amongst other services.

When providing any service to its clients, Accounting Services keeps its clients' business in mind and keeps constant communication with them to keep track of everything. Mr. Matthew Borg, the owner of GLOBE Stationeries expressed how the team at Accounting Services Ltd, lead by Mr. Adrian Sciberras as its Chief Executive Officer, does not only deliver numbers efficiently, but delivers them in a creative way to his likings.

## Results

From all the services provided by Accounting Services Ltd, GLOBE Stationeries found the tax advisory services to be the most helpful both for the business and the employees. By receiving correct information and guidance about taxation from Accounting Services professional team that is in conformity with the Maltese law, the owner could save more money rather than paying more taxes. Such professional guidance provided by the team at Accounting Services Ltd, made it possible for the company to invest more in its employees. With Accounting Services Ltd, one can also save more money thanks to the reasonable fees and prices linked to the conducted work.

## Conclusion

Mr. Matthew Borg will further his work with Accounting Services Ltd as its team is always willing and ready to assist him and guide him on any issues related to accounting and taxation. Meanwhile, for any of your stationery needs, we invite to visit [GLOBE Stationery](#).
